Call Key	From the idle screen, press to view call history.
* Key	Hold for Meeting mode.
# Key	Hold to lock the keypad.

For more information, visit www.att.com/devicesupport.

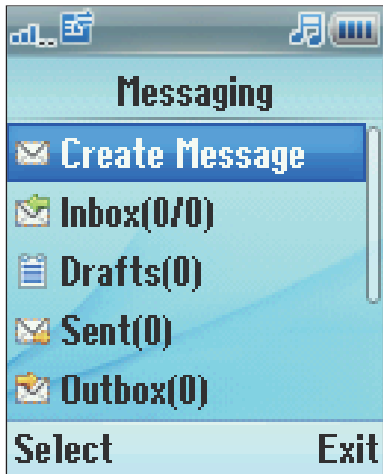

App Center

No matter what your preferences, let your phone reflect your style and entertain you with downloadable tones, wallpaper, applications and games.

1. From the idle screen, select **Menu > AppCenter**.
2. Use the **Navigation Key** to scroll through categories and content.
3. Press **Confirm Key** to select and purchase content.

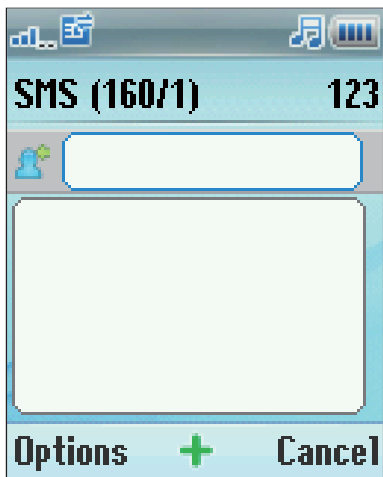

Text Messaging

When you need to communicate privately and quickly, use text messaging. You can send text messages to other wireless phones and email addresses.

Send a Message

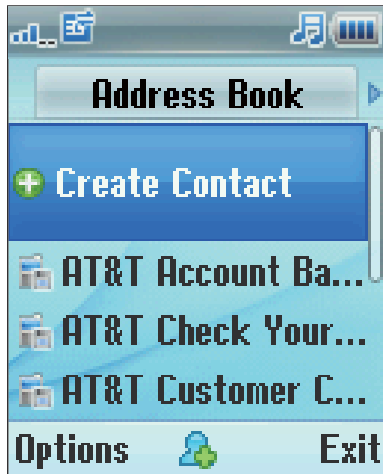

1. From the idle screen, select **Menu** > **Messaging** > **Create Message**.
2. Enter one or more recipient's numbers directly, or press **Confirm Key** to access the contact list and then select one or multiple recipients.
3. Enter text contents in the text box.
4. Select **Options** > **Send** to send the message.

Read a Message

1. From the idle screen, select **Menu** > **Messaging** > **Inbox**.
2. Press **Navigation Key** to scroll to a message. Press **Confirm Key** to read the message.

Please don't text and drive.

Address Book

When you need to manage your daily contacts, use address book.

Add a Contact

1. From the idle screen, select **Menu > Address Book > Create Contact**.
2. On the edit screen, enter the information about the contact. (For each contact, at least one number needs to be entered.)
3. Select **Save** to save the contact.

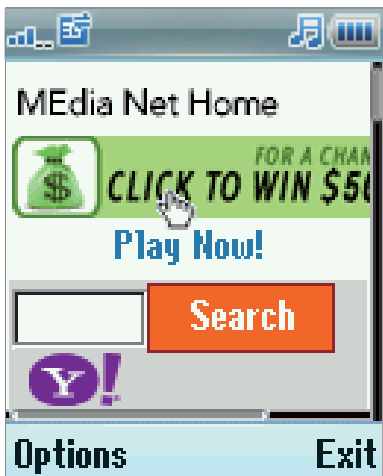

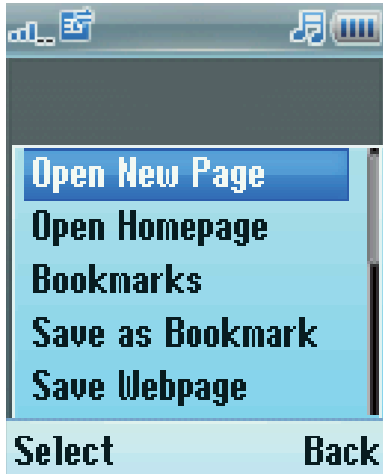

Search for a Contact

1. From the idle screen, select **Menu > Address Book**.
2. Enter the name of the contact in the text box. The automatically lists the contacts that comply with the search information you entered.

Mobile Web

With Mobile Web, you can get the information that is important to you at a glance. Local weather, team scores, and movie listings are just a few clicks away.

1. From the idle screen, select **Menu > Mobile Web > Options > Open Homepage**.
2. Use the **Navigation Key** to browse content and highlight weblinks. Press the **Confirm Key** to select a webpage to view.
3. To enter a web address, select **Options > Open New Page**, and then input address.

AT&T Mobile Care

Get up-to-date account information and manage your account on the go with AT&T Mobile Care!

1. From the idle screen, select **Menu > AT&T Mobile Care**.
2. Once connected, you can view account balance information and access the following tasks:
 - **Add Money:** Add money to your Gophone account from your phone.
 - **Features:** View and modify current account features.
 - **More Choices:** View account summary information, call customer care, and access other account features.
 - **GoPhone FAQs:** View answers to frequently asked questions about the GoPhone service.
